

American Notes, Chapter XV: Shakers

"They are good farmers, and all their produce is eagerly purchased and highly esteemed.

'Shaker seeds,'

'Shaker herbs,'

and

'Shaker distilled waters,'

are commonly announced for sale in the shops of towns and cities. They are good breeders of cattle, and are kind and merciful to the brute creation. Consequently, Shaker beasts seldom fail to find a ready market.

They eat and drink together, after the Spartan model, at a great public table. There is no union of the sexes, and every Shaker male and female, is devoted to a life of celibacy. Rumour has been busy upon this theme, but here again I must refer to the lady of the store, and say, that if many of the sister Shakers resemble her, I treat all such slander as bearing on its face the strongest marks of wild improbability." - - - C.
