Riverside Dickens Festival High School Essay Contest 2020

The Festival this year is once again sponsoring an essay contest for high school writers. Prizes of $100, $50, and $25 are available for entries judged worthy of an award. The essay contest is intended to encourage literacy through reading Dickens with thought and expression on the relevance of his works to a larger historical context for social issues. The high school essay is based on the reading of *A Tale of Two Cities*.

The topic for the high school essay is as follows:

The first paragraph of Charles Dickens' novel *A Tale of Two Cities* describes the times immediately before the French Revolution both in France and in England. Does this description apply to our country in the present? If so, what similarities do you see to the age Dickens described? What differences do you also see?

G*eneral Information and Rules:*

Entries are limited to students who reside in and are schooled in Riverside and San Bernardino counties.

Only typed or word processed entries will be accepted. Essays must be 1,000 or fewer words. (A maximum of four typewritten pages of 10 or 12-point type). Before submission to the Festival for judging, entries should be proofread carefully by the student to correct errors in mechanics, diction, structure, and phrasing.

Additionally, all direct quotation, summary or paraphrase of outside researched materials must be referenced with citation and documentation of the source through an accepted format (MLA or APA). Quotes from Dickens should cite the chapter and page number. Failure to do so results in plagiarism, which is basis for immediate disqualification of the essay for consideration.
